Subject: SCE&G's Request for Waiver in Docket 2017-2-E

This email was dictated by Richard Whitt:

David:

1. I am writing to you because you appeared in Docket 2017-2-E, as the Standing Hearing Officer.
2. I also write because of SCE&G's Request for a Waiver in this Docket, filed on December 22, 2017.
3. Tim Rogers and I appeared in Docket 2017-2-E, on behalf of the South Carolina Solar Business Alliance, LLC and Southern Current, LLC, so we have standing to respond to SCE&G's Request for a Waiver of Commission Order 2017-246, (as to the requirement that SCE&G update its PR-2 Rate, in December 2017).
4. Our clients plan to respond to SCE&G's Request for a Waiver and other parties may intend to do likewise.
5. To avoid confusion and the filing of untimely responses, can you provide all parties with a schedule for a response to SCE&G's Request for a Waiver?

Regards,
Richard Whitt.
